### Executive Pay 20219/20

In line with the Academies Financial Handbook 2020, academy trust must now publish on its website in a separate readily accessible form the number of employees whose benefits exceeded 100k in 10k bandings, as an extract from the disclosure in its financial statements for the previous year ended 31 August.

Benefits for this purpose include salary, other taxable benefits and termination payments, but not the trust's own pension costs. In the case of employees who are trustees, their salary and other benefits will also be disclosed in £5k landings in the trust's financial statements, as set out in the model trustees' remuneration note in the Academies Accounts Direction.

The number of employees whose employee benefits (excluding employers pensions costs) exceeded £100,000 for the year ended 31 August 2020 as:

<b>In the band:</b>	<b>2020</b>	<b>2019</b>
